

## Map and Directions

**NOAA Center for Weather and Climate Prediction (NCWCP) Auditorium  
5830 University Research Court, College Park, MD 20740**

### Driving

**From Maryland:** Take I-495 East to exit 23A (Kenilworth Ave/MD-210 S). Stay on 210 South until you make a right onto River Rd. Take the 1st right onto University Research Ct. The NCWCP will be the building on the left at the end of the court.

**From Virginia:** Merge onto I-495 OUTERLOOP/Capital Beltway/ toward Alexandria. Take the I-295 N/National Harbor exit, EXIT 2A-B, toward Washington. Keep right to take DC-295 N toward US-50 E (crossing into Maryland). Take the exit toward MD-410/Hyattsville/New Carrollton. Take left onto Riverdale Rd (Riverdale Rd becomes East-West Hwy/MD-410 W). Turn left onto River Rd. Take the 1st right onto University Research Ct. The NCWCP will be the building on the left.

**From Washington DC:** Take I-295 North to MD- 410/Hyattsville/New Carrollton. Take left onto Riverdale Rd (Riverdale Rd becomes East-West Hwy/MD-410 W). Turn left onto River Rd. Take the 1st right onto University Research Ct. The NCWCP will be the building on the left.

### Parking

If you are driving to the workshop venue, once you turn onto University Research Court, park anywhere in the lot on the right (east side of University Research Ct.). Parking is free. Walk over to the NCWCP building, which is on the left (west side) towards the end of the Court. In order to enter the building, you will need to show a driver's license or passport to the guard at the booth outside of the building.

## Public Transport

**Metro:** The NCWCP is also accessible by taking the Green or Yellow Metrorail Line to the College Park/University of Maryland station. It is a 20-minute walk (to the east down River Road) from the station to the NCWCP. Check for shuttle availability from the Metro station here: <http://www.transportation.umd.edu/shuttle.html>
